School vision	School values	Context and challenges	Intent, rationale and focus								
<p>Taylor's Hill Primary School is a school where students are constantly exposed to explicit teaching, authentic learning, and high expectations. Students are challenged, excited, curious and engaged. They are given the skills to take responsibility for their own learning.</p> <p>THPS is committed to the principles of democratic decision-making, the provision of a stimulating learning environment, contemporary teaching strategies, assessment and reporting and on-going review and evaluation. The school aims to cater for the needs, abilities, talents and interests of all students in a secure, caring and stimulating environment. Academic success and personal development demands a high level of self-discipline and respect for learning which teachers encourage, nurture and expect.</p>	<p>At Taylor's Hill Primary School, everyone has the responsibility to follow the school VALUES.</p> <p>The school VALUES explain how we should behave when you are at school.</p> <table border="1"> <thead> <tr> <th>School Values</th> <th>This means that we ...</th> </tr> </thead> <tbody> <tr> <td>LEARNING</td> <td> <ul style="list-style-type: none"> <li>✓ Attend school on time and be prepared</li> <li>✓ Focus and participate fully in learning activities</li> <li>✓ Complete set tasks</li> <li>✓ Ask for help when needed</li> <li>✓ Let others work without interruption</li> <li>✓ Value and learn from each other</li> </ul> </td> </tr> <tr> <td>PERSONAL BEST</td> <td> <ul style="list-style-type: none"> <li>✓ Attempt learning tasks to the best of our ability</li> <li>✓ Meet appearance and uniform standards</li> <li>✓ Demonstrate and monitor our own learning</li> <li>✓ Attentively listen to and follow instructions</li> <li>✓ Move safely through the school environment</li> </ul> </td> </tr> <tr> <td>POSITIVE RELATIONSHIPS</td> <td> <ul style="list-style-type: none"> <li>✓ Treat others with respect, courtesy and fairness</li> <li>✓ Listen to others and demonstrate 'whole body listening'</li> <li>✓ Allow others to share ideas and opinions</li> <li>✓ Value and respect the individual strengths and</li> </ul> </td> </tr> </tbody> </table>	School Values	This means that we ... The school is located in a rapidly expanding growth area of East Melton. Taylor's Hill P.S was constructed under a Public-Private Partnership (PPP) agreement and is a state of the art educational facility with flexible, modern, open-planned spaces to facilitate learning practices that maximize the learning outcomes for every student.</p> <p>The building design at Taylor's Hill P.S promotes active, student-centred learning for all students through the creation of flexible, functional spaces that support contemporary learning and teaching practices. The facilities exhibit characteristics of high quality design that promote delight, inspiration and belonging among students and the broader school community.</p> <p>We constantly strive to adopt best practice by keeping informed of initiatives, educational theory, research and learning and teaching strategies, and by always adopting reflective practices utilising student learning data and multiple forms of feedback. We are committed to establishing a professional learning community that models life-long learning.</p> <p>The staff appointed to the school have played a pivotal role in shaping the vision of the school, developing and implementing innovative curriculum practices and school policies. Taylor's Hill Primary School is part of the Melton network of schools in the South Western Victoria Region.</p> <p><b>The anticipated future growth is a significant factor for the school in planning for the next four years.</b></p>	<p>The process of self-evaluation has highlighted the many strengths we have at THPS and has allowed us to pause and celebrate our achievements to date. The key findings and potential areas of focus in each priority area are:</p> <ul style="list-style-type: none"> <li>• <b>Excellence In Teaching and Learning</b> All data collected supports strong development and implementation of consistent practices in teaching and learning. It is evident that our Meeting Schedule is paramount to our success and thoughtfully connects the many processes and tools we use.</li> <li>Potentially, our next steps could be to continue to build teacher knowledge, capacity and practice for high level consistency in every classroom. A challenge faced at THPS is our frequent induction of new staff and the inexperience of our teachers as a whole. We could also focus on consistently meeting/exceeding State benchmarks in NAPLAN Reading and Numeracy results.</li> <li>• <b>Professional Leadership</b> There is strong evidence to support the effectiveness of our instructional leaders. Our structure, organization, communication and strategies demonstrate a multifaceted approach to continuous school improvement.</li> <li>Our next area of focus could be to document a clear school vision so there is a consistent understanding of the school's purpose and direction.</li> <li>• <b>Positive Climate For Learning</b> Through our TEAM Learning Program, we intentionally plan for and teach the strategies and expectations to establish a strong culture for learning in an orderly environment.</li> <li>Further development could be achieved in the area of student voice – in learning and in school processes and improvements.</li> <li>• <b>Community Engagement In Learning</b> Every opportunity is taken to build positive parent-teacher partnerships to support and recognize achievement in student learning and behaviour.</li> <li>Global Citizenship is an area of focus as we move forward by engaging with our local community.</li> </ul>
