

Essential Educational Items for 2018

School Council has recently approved the essential learning charge for the 2018 school year, as part of the budget approval process. Taylors Hill Primary School is committed to providing quality programs and resources for student use, so School Council also approves other revenue raising activities (such as gymnasium hire) which provide additional funding to support the enhancement of learning experiences for students.

The Essential Educational Items charge includes the following:

Item	Details	Cost
Student Stationery Pack	<p>Items will vary for each year level; a full list of items for each year level is available at the office.</p> <p>Included are pencils, markers, exercise books, display folders, glue sticks and all of the stationery required for students throughout the year. Also included is a THPS school diary.</p>	\$85
Online learning programs	<p>Students will individually access Mathletics and Reading Eggs both at school during class time and at home. An individual login will be supplied for each student. Students will also have access to World Book Web and additional programs relevant to various year levels.</p>	\$30
Bulk Stationery Supplies, photocopying and printing	<p>Teachers will hold bulk supplies of items such as cover paper, paper squares and flash cards which will be supplied to students during the year for classroom activities.</p> <p>Teachers will also copy individual worksheets and text extracts for student use during class. Students will access school resources to print projects and classwork during the year.</p>	\$60

In an attempt to reduce inconvenience to parents, we do not have book pack collection days. This decision has been made in an attempt to avoid lengthy delays for parents when making payment and collecting packs. When payment is made a named book pack will be delivered to your child's classroom ready for the first day of school on 31st January 2018. Teachers will arrange for any items that need to be named to be sent home with students. Parents will still have the option to collect the pack from the classroom if they would prefer to take the pack home to check or name the items received.

Families who are experiencing financial difficulty are invited to make an appointment with the Principal to discuss an alternative payment plan.
